1 INTRODUCTION

1.1 AUTHORITY

Under the authority granted by *The Planning and Development Act, 2007*, the Mayor and Council of the Town of Pense in the Province of Saskatchewan, in open meeting, hereby enact as follows:

1.2 TITLE

This Bylaw shall be known and may be cited as the "Zoning Bylaw" of the Town of Pense.

1.3 PURPOSE

- 1.3.1 The purpose of this Bylaw is to regulate development and to control the use of land in the Town of Pense in accordance with the Official Community Plan (OCP), Bylaw 2/2013.
- 1.3.2 The intent of this Zoning Bylaw is to provide for the amenity of the area within the Town of Pense (hereinafter referred to as the Town) and for the health, safety, and general welfare of the inhabitants of Pense and area:
 - a) To minimize land use conflicts;
 - b) To establish minimum standards to maintain the amenity of the Town;
 - c) To ensure development is consistent with the physical limitations of the land;
 - d) To restrict development that places undue demand on the Town for services; and
 - e) To provide for land-use and development that is consistent with the goals and objectives of the Town.

1.4 SCOPE

This Bylaw applies to all land included within the boundaries of the Town of Pense. All development within the limits of the Town of Pense shall hereafter conform to the provisions of this Bylaw.

1.5 SEVERABILITY

A decision of a Court that one or more of the provisions of this Bylaw are invalid in whole or in part does not affect the validity, effectiveness, or enforceability of the other provisions or parts of the provisions of this Bylaw.

2 DEFINITIONS

Whenever the subsequent words or terms are used in the Official Community Plan, Bylaw No. 1/2013 and this Bylaw, they shall have the following definition unless the context indicates otherwise.

3 ADMINISTRATION AND INTERPRETATION

3.1 DEVELOPMENT OFFICER

- 3.1.1** The Town Administrator of the Town of Pense shall be the Development Officer responsible for the administration of this Bylaw and in their absence by such other employee of the Municipality as the Council designates from time to time.
- 3.1.2** The Development Officer shall:
- a) Receive, record and review development permit applications and issue decisions in consultation with Council, particularly those decisions involving subdivision, discretionary uses, development permit conditions, and development and servicing agreements;
 - b) Maintain, for inspection by the public during office hours, a copy of this Bylaw, zoning maps and amendments, and ensure that copies are available to the public at a reasonable cost;
 - c) Make available, for public inspection during office hours, a register of all development permits and subdivision applications and decisions;
 - d) Collect development fees according to the fee schedule established in this Bylaw or any other Development Fee Bylaw adopted by the Town ; and
 - e) Perform other duties as determined by Council.
- 3.1.3** The Development Officer shall be empowered to make a decision, in consultation with Council, regarding a development permit application for a "Permitted use."

3.2 COUNCIL

- 3.2.1** Council shall make all decisions regarding Discretionary **uses**, Development and Servicing Agreements, and Zoning Bylaw amendments.
- 3.2.2** Council shall make a recommendation regarding all subdivision applications circulated to it by Saskatchewan Ministry of Government Relations prior to a decision being made by the Minister.
- 3.2.3** Council shall act on discretionary use, rezoning and subdivision applications in accordance with the procedures established by *The Planning and Development Act, 2007* and in accordance with the Official Community Plan Bylaw No. 1/2013.

3.3 APPLICATION FOR A DEVELOPMENT PERMIT

- 3.3.1** Unless the proposed development or use is exempt from Development Permit requirements, before commencing any principal or accessory use development, including a public work or utility use, every developer shall:
- a) Complete and submit a Development Permit application, and (refer to Permit application in Appendix "A"); and
 - b) Receive a Development Permit for the proposed development.

- 3.3.2** A Development Permit shall not be issued for any use in contravention of any of the provisions of this Bylaw and the Official Community Plan.
- 3.3.3** Except where a particular development is specifically exempted by Section 3.4 of this Bylaw, no development or use shall commence without a Development Permit first being obtained.

3.4 DEVELOPMENT NOT REQUIRING A PERMIT

The following developments shall be exempt from Development Permit requirements, but shall conform to all other Bylaw requirements (e.g., building permits, setbacks, environmental and development standards):

3.4.1 RESIDENTIAL ZONING DISTRICTS

- a) Buildings and structures under 9.0 m² in area, which are accessory to a principal, residential use except where such dwelling is a discretionary use;
- b) The erection of any fence, wall, gate, television antennae, or radio antennae; and
- c) Relocation of any residential or accessory building provided development standards are still met on the site.

3.4.2 COMMERCIAL ZONING DISTRICTS

- a) Buildings and structures that are accessory to a permitted, principal or commercial use, except where such use is discretionary;
- b) The erection of any fence or gate;
- c) A temporary building, the sole purpose of which is incidental to the erection or alteration of a building for which a building permit has been granted.

3.4.3 ACCESSORY USES

All accessory uses, unless otherwise specified in this Bylaw.

3.4.4 OFFICIAL USES

Uses and buildings undertaken, erected, or operated by the Town of Pense.

3.4.5 INTERNAL ALTERATIONS

Residential Buildings

- a) Internal alterations to a residential building, provided that such alterations do not result in a change of use or an increase in the number of dwelling units within the building or on the site;

All Other Buildings

- b) Internal alterations and maintenance to other buildings, including mechanical or electrical work, provided that the use, or intensity of use of the building, does not change.

3.4.6 LANDSCAPING

Landscaped areas, driveways and parking lots provided the natural or designed drainage pattern of the site and adjacent sites are not adversely impacted.

3.5 INTERPRETATION

- a) Where any provision of this Bylaw appears unclear, Council shall make the final Bylaw interpretation; and
- b) All Bylaw requirements shall be based on the stated metric units. The imperial units shown in this Bylaw shall be approximate guidelines only.

3.6 CONCEPT PLANS

3.6.1 A Concept Plan shall be completed prior to consideration of an application by Council by any person proposing to rezone, subdivide or re-subdivide land for multi-parcel residential, commercial or industrial purposes. The purpose of this review is to identify and address social, environmental, health and economic issues and to encourage the development of high quality residential, recreational, commercial, and industrial developments. The scope and required detail of the Concept Plan will be based on the scale and location of the proposed development and shall address such areas as the following:

- a) Proposed land use(s) for various parts of the area;
- b) The effect on adjacent land uses and integration of the natural landscape regarding the planning and design of the area;
- c) The location of, and access to, major transportation routes and utility corridors;
- d) The provision of services respecting the planning for future infrastructure within the Municipality;
- e) Sustainable development and environmental management practices regarding surface and groundwater resources, storm water management, flooding and protection of significant natural areas; and
- f) Appropriate information specific to the particular land use (residential, commercial or industrial)

3.6.2 The Concept Plan must be prepared in accordance with the overall goals and objectives of the Official Community Plan. Council shall not consider any development application until all required information has been received. The responsibility for undertaking all technical investigations and hosting public meetings as required shall be borne solely by the applicant.

3.7 DEVELOPMENT PERMIT PROCEDURE

Where an application for a Development Permit is made for a permitted use in conformity with this Bylaw, *The Planning and Development Act, 2007* and all other Town Bylaws, the Council shall hereby direct the Development Officer to issue a Development Permit.

3.7.1 DISCRETIONARY USE APPLICATION

3.7.1.1. Where an application for a Development Permit is made for a discretionary use, the Development Officer shall advise the Council as soon as practicable.

3.7.1.2 As soon as practicable after Council is advised that an application has been made for a Development Permit for a discretionary use, Council shall consider the application. Prior to making a decision, Council may refer the application to whichever Government Agencies, the Industrial Corridor Steering Committee or other interested groups as Council may consider appropriate.

Council also may require the application to be reviewed by planning, engineering, legal, or other professionals, with the cost of this review to be borne by the applicant.

- 3.7.1.3 Upon approval of a discretionary use by resolution of Council, the Development Officer shall issue a Development Permit for the discretionary use at the location and under such terms and development standards specified by Council in its resolution.

3.7.2 DEVELOPMENT PERMIT DECISION

- 3.7.2.1. The applicant shall be notified in writing of the decision of their application within thirty (30) days of all required information being submitted to the Development Officer. The applicant shall be advised of their right to appeal a decision on a permitted use application and any terms and conditions attached to a discretionary use application to the Development Appeals Board, subject to the provisions of *The Planning and Development Act, 2007*.

- 3.7.2.2 If the proposal conforms to the provisions of this Bylaw a Development Permit shall be issued subject to any development standards, special regulations, or performance standards that may be required.

3.8 DEVELOPMENT PERMIT: VALIDITY

- 3.8.1 A Development Permit is valid for a period of twelve (12) months unless otherwise stipulated when the permit is issued.
- 3.8.2 Where the Development Officer determines that a development is being carried out in contravention of any condition of a Development Permit or any provision of this Bylaw, the Development Officer shall suspend or revoke the Development Permit and notify the permit holder that the permit is no longer in force.
- 3.8.3 Where the Council is satisfied that a development, the permit for which has been suspended or revoked, will be carried out in conformity with the conditions of the permit and the requirements of this Bylaw, the Council may reinstate the Development Permit and notify the permit holder that the permit is valid and in force.

3.9 DEVELOPMENT PERMIT APPLICATION FEES

- 3.9.1 An applicant seeking the approval of a Development Permit application for a permitted OR a discretionary use shall pay the required fee as set out in the Development Fee Bylaw of the Town.
- 3.9.2 There shall be no Development Permit application fee for accessory buildings to a residential use, sign permits, licenses for home occupations or other forms of business licenses.
- 3.9.3 The Development Officer shall direct the applicant for a discretionary use, or carry out on behalf of the applicant, the advertisement of the proposed use by posting a notice of the application at the entrance to the property in question and by mailing a copy of the notice to the assessed owner of each abutting property and each assessed owner of property within a 75.0 metre radius of the proposed development.

- 3.9.4** The Development Officer shall publish a notice of the application in accordance with the provisions of *The Planning and Development Act, 2007*, whereby the applicant shall pay to the Municipality a fee equal to the costs associated with the public advertisement.

3.10 FEE FOR ZONING AMENDMENT APPLICATION

When an application is made to Council for an amendment to this Bylaw, the applicant making the request shall bear the actual cost of advertising such zoning amendment as permitted by *The Planning and Development Act, 2007*. Council also may require the applicant to pay all costs incurred in a professional review of the application and in carrying out a public hearing.

3.11 CONCURRENT PROCESSING OF DEVELOPMENT PERMITS, BUILDING PERMITS AND BUSINESS LICENSES

A Building Permit, where required, shall not be issued unless a Development Permit has been issued or is issued concurrently. Nothing in this Bylaw shall exempt any person from complying with a Building Bylaw, or any other Bylaw in force within The Municipality, or from obtaining any permission required by this or any other Bylaw of The Municipality, the Province or the Federal Government.

3.12 PLANNED UNIT DEVELOPMENT

Specific zone regulations shall not apply to Planned Unit Development Contract Zoning. Uses permitted within a PUD include: residential, commercial, light industrial recreation and open space. However, the project shall produce an environment of stable and desirable character and shall incorporate at least equivalent standards of building separation, parking, height and other requirements and provisions of this Bylaw.

3.13 REFERRAL UNDER THE PUBLIC HEALTH ACT

The Development Officer shall make available, in addition to plumbing permits and plan information, a copy of all approved Development Permit applications involving installation of water and sanitary services, should such information be requested by provincial officials under *The Public Health Act and Regulations*. The developer shall, at their own expense, provide suitable water supply and sewage disposal facilities for their development that is acceptable to Council and meets *The Public Health Act and Regulations* requirements.

3.14 DEVELOPMENT APPEALS BOARD

- 3.14.1** Council shall appoint a Development Appeals Board consisting of five members, to hear and determine appeals in accordance with Section 213 to 227 inclusive, of *The Planning and Development Act, 2007*.

- a) Where an application for a permitted use has been denied, the applicant shall be advised of the right of appeal to the Development Appeals Board.
- b) Appellants also may appeal where they are of the opinion that development standards prescribed by Council with respect to a discretionary use exceed those necessary to secure the objectives of the Zoning Bylaw.
- c) The Development Officer shall make available to all interested persons copies of the provisions of *The Planning and Development Act, 2007* respecting decisions of the Development Officer and the right of

3.15 MINOR VARIANCES

3.15.1 The Development Officer may vary the requirements of this Bylaw subject to the following requirements:

- a) A minor variance may be granted for the following only:
 - i. minimum required distance of a building from a lot line; and
 - ii. the minimum required distance of a building from any other building on the lot;
- b) The maximum amount of a minor variance shall be 10% variation from the Requirements of this Bylaw;
- c) The development must conform to all other requirements of this Bylaw;
- d) The relaxation of the Bylaw requirement must not injuriously affect a neighbouring property; and
- e) No minor variance shall be granted for a discretionary use or form of development, or in connection with an agreement to rezone pursuant to Section 60 of *The Planning and Development Act 2007*.

3.15.2 An application form for a minor variance shall be in a form prescribed by the Development Officer and shall be accompanied by an application fee of \$50.00.

3.15.3 Upon receipt of a minor variance application the Development Officer may:

- a) Approve the minor variance;
- b) Approve the minor variance and impose terms and conditions on the approval; or
- c) Deny the minor variance.

3.15.4 Terms and conditions imposed by the Development Officer shall be consistent with the general development standards in this Bylaw.

3.15.5 Where a minor variance is refused, the Development Officer shall notify the applicant in writing, providing reasons for the refusal.

3.15.6 Where a minor variance is approved, with or without terms, the Development Officer shall provide written notice to the applicant and to the assessed owners of the property having a common boundary with the applicant's land that is the subject of the approval.

3.15.7 The written notice shall contain:

- a) A summary of the application;
- b) Reasons for and an effective date of the decision;

- c) Notice that an adjoining assessed owner has 20 days to lodge a written objection with the Development Officer, which, if received, will result in the approval of the minor variance being revoked; and
 - d) Where there is an objection and the approval is revoked, the applicant shall be notified of the right to appeal to the Development Appeals Board.
- 3.15.8** A decision to approve a minor variance, with or without terms and conditions, does not take effect until twenty- three (23) days from the date the notice was provided.
- 3.15.9** If an **assessed** owner of a property having an adjoining property with the applicants land objects to the minor variance in writing to the Development Officer within the prescribed 20 day time period, the approval is deemed to be revoked and the Development Officer shall notify the applicant in writing:
- a) Of the revocation of the approval; and
 - b) Of the applicant's right to appeal the revocation to the Development Appeals Board within thirty (30) days of receiving the notice.
- 3.15.10** If an application for a minor variance is refused or approved with terms or conditions, the applicant may appeal to the Development Appeals Board within thirty (30) days of the date of that decision.

3.16 NON-CONFORMING BUILDINGS USES AND SITES

- 3.16.1** Any use of land or any building or structure lawfully existing at the time of passing this Bylaw that is rendered non-conforming by the enactment of this Bylaw or any subsequent amendments, may be continued, transferred, or sold in accordance with provisions of Section 88 to 93 inclusive of *The Planning and Development Act, 2007*.
- 3.16.2** No enlargement, additions, or reconstruction of a non-conforming use, building or structure shall be undertaken except in conformance with these provisions.
- 3.16.3** No existing use, building or structure shall be deemed to be non-conforming by reason only of the conversion of this Bylaw from the Metric System of Measurement to the Imperial System of Measurement where such non-conformity is resultant solely from such change and is reasonably equivalent to the metric standard herein established.
- 3.16.4** No existing site shall be deemed to be non-conforming by reason only of its dimensions or area failing to at least equal the standards prescribed for proposed sites in the Zoning District in which the site is located.

3.17 DEVELOPMENT PERMIT – INVALID

A Development Permit shall be automatically invalid and development **shall cease**, as the case may be:

- a) If the proposed development is not commenced within the period for which the Development Permit is valid;
- b) If the proposed development is legally suspended or discontinued for a period of six or more months, unless otherwise indicated by Council or the Development Officer;
- c) When development is undertaken in contravention of this Bylaw, the Development Permit and specified development standards; and/or
- d) When a written appeal notice is received by the Development Appeals Board secretary regarding the Development Permit.

3.18 CANCELLATION

Council or the Development Officer may cancel a Development Permit, and when cancelled, development shall cease:

- a) Where the Development Officer or Council is satisfied that a Development Permit was issued based on false or mistaken information;
- b) Where new information is identified pertaining to environmental protection, flood potential or slope instability; and/or
- c) When a developer requests a Development Permit modification.

3.19 STOP-WORK

The Development Officer may authorize action to stop any development which does not conform to this Bylaw, a development or servicing agreement, a Development Permit or condition, or register an Interest with ISC under this Bylaw.

3.20 OFFENCES AND PENALTIES

Any person who violates this Bylaw may be charged and liable on summary conviction to the penalties in *The Planning and Development Act, 2007*.

3.21 INSPECTION OF PREMISES

The Development Officer, or any official or employee of the Municipality acting under their direction, is hereby authorized to enter, at all reasonable hours, upon any property or premises in or about which there is reason to believe that provisions of this Bylaw are not being complied with, and for the purpose of carrying out their duties under this Bylaw.

3.22 BYLAW COMPLIANCE

Errors and/or omissions by any person administering or required to comply with the provisions of this Bylaw do not relieve any person from liability for failure to comply with the provisions of this Bylaw.

3.23 PERFORMANCE BONDS

Council may require a developer to post and maintain a performance bond to ensure developer performance and to protect the public interest.

3.24 LIABILITY INSURANCE

Council may require developers to provide and maintain liability insurance to protect the Municipality, developer and public.

3.25 REGISTERING INTERESTS

Council may require that development and servicing agreements and other documents may be registered as an Interest on a Title on affected lands, in accordance with *The Land Titles Act*, to protect Municipal and public interests.

3.26 MOVING OF BUILDINGS

No building shall be moved within or into or out of the area covered by this Bylaw without obtaining a Development Permit from the Development Officer, unless such building is exempt under Section 3.4 of this Bylaw.

3.27 DEMOLITION OF BUILDINGS

No building shall be demolished without first obtaining a Development Permit from the Development Officer. Such Permit shall not be issued unless a proposal for the interim or long-term use or redevelopment of the site is also submitted and the proposed use is in conformity with this Bylaw. A separate Development Permit is required for any redevelopment of the site.

3.28 TEMPORARY DEVELOPMENT PERMITS

The Development Officer may issue a temporary Development Permit, with specified conditions for a specified period of time to accommodate developments incidental to approved construction, temporary accommodation, oil and gas sector activities, temporary gravel operations or asphalt plants. Nothing in this Bylaw shall prevent the use of land or the erection or use of any building or structure for a construction camp, work camp, tool shed, scaffold, or other building or structure incidental to and necessary for construction work on the premises, but only for so long as such use, building or structure is necessary for such construction work as has not been finished or abandoned.

3.29 DEVELOPMENT AGREEMENTS

Council may request a developer to enter into a Development Agreement to ensure development conformity with The Official Community Plan and this Bylaw pursuant to *The Planning and Development Act, 2007*

3.30 SERVICING AGREEMENTS

3.30.1 Where a development proposal involves subdivision, Council may require a developer to enter into a servicing agreement to ensure appropriate servicing pursuant to *The Planning and Development Act, 2007*. Council may direct the Administration to vary the agreement on a case-by-case basis, or not require it.

3.30.2 In accordance with Sections 172 to 176 inclusive, *The Planning and Development Act, 2007*, the agreement may provide for:

- a) The undertaking and installation of storm sewers, sanitary sewers, drains, water mains and laterals, hydrants, sidewalks, boulevards, curbs, gutters, street lights, graded, graveled or paved streets and lanes,

connections to existing services, area grading and levelling of land, street name plates, connecting and boundary streets, landscaping of parks and boulevards, public recreation facilities or other works that Council may require including both on-site and off-site servicing; and

- b) The payment of levies and charges, in whole or in part, for the capital cost of providing, altering, expanding or upgrading sewage, water, drainage and other utility services, public highway facilities or park and recreation space and facilities located within or outside the proposed subdivision that directly or indirectly serve the proposed subdivision.

4 GENERAL REGULATIONS

The following regulations shall apply to all Zoning Districts in this Bylaw.

4.1 LICENSES, PERMITS, AND COMPLIANCE WITH OTHER BYLAWS AND LEGISLATION

In their interpretation and application, the provisions of this Bylaw shall be held to be the minimum requirements adopted for the promotion of the public health, safety and general welfare. Nothing in this Bylaw shall exempt any person from complying with the requirements of a building regulation Bylaw or any other Bylaw in force within the Town of Pense or law within the Province of Saskatchewan or Canada; or from obtaining any license, permission, permit, authority, or approval required by this or any other Bylaw of the Town of Pense or any law of the Province of Saskatchewan or Canada. Where requirements in this Bylaw conflict with those of any other municipal, provincial, or federal requirements, the more stringent regulations shall prevail.

4.2 PRINCIPAL USE ESTABLISHED

In any Zoning District in this Bylaw, the principal use of the land must be established prior to any accessory buildings, structures, or uses being permitted.

4.3 MULTIPLE USES

Notwithstanding anything contained in this Bylaw, where any land, building, or structure is used for more than one purpose, all provisions of this Bylaw relating to each use shall be complied with, but no dwelling shall be located within 3.0 m of any other building on the site except to a building accessory to such dwelling.

4.4 USES PERMITTED IN ALL ZONING DISTRICTS

- 4.4.1** Nothing in this Bylaw shall prevent the use of any land as a public street or public park.
- 4.4.2** Nothing in this Bylaw shall prevent the erection of any properly authorized traffic sign or signal or any sign or notice of any local or other government department or authority.
- 4.4.3** Nothing in this Bylaw shall prevent the use of any land for the erection of buildings or structures, or the installation of other facilities essential to the operation of public works provided that such use, building or structure shall be in substantial compliance with the relevant provisions of this Bylaw and shall not adversely affect the character or amenity of the neighbourhood in which the same is located.

4.5 NUMBER OF PRINCIPAL BUILDINGS ON A SITE

- 4.5.1** Only one principal building shall be permitted on any one site except for the following: parks, schools, hospitals, recreation facilities, special care homes, senior citizen homes and approved dwelling groups and condominium developments.
- 4.5.2** Multiple unit residential buildings (e.g. duplex, fourplex) are considered to be one principle building under this Bylaw and all other uses and buildings on the site must be accessory.

4.6 ACCESSORY BUILDINGS, USES AND STRUCTURES

- 4.6.1** Subject to all other requirements of this Bylaw, an accessory building, use or structure is permitted in any district when accessory to an established principal use which is permitted or discretionary use in that same district, and for which a Development Permit has been issued.
- 4.6.2** No accessory building may be constructed, erected or moved on to any site prior to the time of construction of the principal building to which it is accessory.
- 4.6.3** Where a building on a site is attached to a principal building by a solid roof or by structural rafters, and where the solid roof or rafters extend at least one third of the length of the building wall that is common with the principal building, the building is deemed to be part of the principal building.

4.7 FRONT YARD REDUCTION

Notwithstanding the minimum depth of front yard required by this Bylaw, where a site is situated between two sites each of which contains a principal building which projects beyond the standard required front yard depth, the front yard required on said site may be reduced to an average of the two established front yards on the adjacent sites; but not be less than 4.5 m in a Residential district unless otherwise permitted in this Bylaw.

4.8 FRONTAGE FOR IRREGULAR SITES

Where the site frontage is along a cul-de-sac, curve or is irregular, the minimum site frontage shall be 11.0 m and the mean site width shall not be less than the minimum frontage for regular sites in the same Zoning District.

4.9 PERMITTED YARD ENCROACHMENTS

- 4.9.1** Where minimum front, side or rear yards are required in any Zoning District, the following yard encroachments shall be permitted.
 - a) Uncovered and open balconies, terraces, verandas, decks, and patios having a maximum projection from the main wall of 1.8 m into any required front or rear yard; and
 - b) Window sills, roof overhangs, eaves, gutters, bay windows, chimneys, and similar alterations projecting a distance of 0.6 m into any required yard.

4.10 FENCE AND HEDGE HEIGHTS

4.10.1 No hedge, fence or other structure shall be erected past any property line and may not exceed:

- a) higher than 1.0 metre above grade level in a required front yard; and/or
- b) higher than 2.0 m above grade level in a required rear yard.

4.10.2 Except permitted accessory buildings, no fence or other structure shall be erected to a height of more than 2.0 metres.

4.10.3 No barbed wire, or razor wire fences shall be allowed.

4.11 RESTORATION TO A SAFE CONDITION

Nothing in this Bylaw shall prevent the structural improvement or restoration to a safe condition of any building or structure, provided that such structural improvement or restoration shall not increase the height, area or volume so as to contravene the provisions of this Bylaw.

4.12 GRADING AND LEVELLING OF SITES

4.12.1 Every development shall be graded and levelled at the owner's expense to provide for adequate surface drainage that does not adversely affect adjacent property or the stability of the land.

- a) All excavations or filling shall be re-vegetated immediately after other construction activities conclude with a suitable ground cover as may be necessary to prevent erosion.
- b) All vegetation and debris in an area to be re-graded or filled must be removed from the site prior to site grading and leveling; and
- c) All topsoil from an area that is to be re-graded must be stripped, stockpiled and replaced on the re-graded area, or relocated to a site approved by the Municipality.

4.13 RESTRICTIONS ON CHANGES

4.13.1 The purpose for which any land or building is used shall not be changed, no new building or addition to any existing building shall be erected, and no land shall be severed from any site, if such change, erection or severance creates a situation that contravenes any of the provisions of this Bylaw applicable to each individual remaining building, accessory building, site or lot.

4.13.2 Notwithstanding the provisions of subsection 4.13.1, no person shall be deemed to have contravened any provision of this Bylaw if only part or parts of any site or lot has, or have been conveyed to or acquired by the Municipality or the Province of Saskatchewan for a public work.

4.14 HEIGHT OF BUILDINGS

Where a maximum height of buildings is specified in any zoning district, the maximum height shall be measured from average grade level to the highest point on the building exclusive of any chimney or antenna.

4.15 HERITAGE PROPERTIES

Provincial and Municipal heritage properties subject to preservation agreements are subject to development review processes as defined by *The Heritage Property Act*. Provincial designations are afforded special protection, and any alterations and development must be reviewed and approved by the Heritage Programs of the Province of Saskatchewan.

4.16 SIGNAGE ON NATURAL AND HUMAN HERITAGE SITES

Small plaques, markers, and interpretation signs will be encouraged on properties that have significant natural or human heritage resources, with the approval of the owner, and where the signage is appropriate in scale, design and placement with the site and surrounding area, and does not cause safety concerns or negatively impact the heritage value of the site.

4.17 LANDSCAPE BUFFERS

- 4.17.1** Landscape buffers are intended to improve land use compatibility and environmental quality by reducing noise, lighting glare and other nuisances or facilitating natural drainage. Landscape buffers, where required to separate uses from adjacent properties may be required to provide a minimum 1.0 metre vegetative landscape buffer, unless a fence is required for other reasons.
- 4.17.2** Primary entrances into the Town and parking lots abutting major roads will require a landscape buffer.
- 4.17.3** Notwithstanding any other provisions in this Bylaw, where buffers are required for greenways, trails, parks and landscaped areas, they shall be required to reflect the character and intent of the Official Community Plan.

4.18 PROHIBITED AND NOXIOUS USES

- 4.18.1** The keeping of livestock shall not be allowed except for permitted agricultural uses in the FUD - Future Urban Development District.
- 4.18.2** Any use is prohibited which, by its nature or the materials used therein, is declared by *The Public Health Act and Regulations* to be a noxious trade, business, or manufacture.
- 4.18.3 NOXIOUS USES**
Notwithstanding any use contained within a building, no land shall be used and no building or structure shall be erected, altered or used for any purpose that is noxious and, without limiting the generality of this subsection, for any purpose that creates or is likely to become a nuisance or offence, or both:

- a) By the creation of noise or vibration;
- b) By the emission of light and glare;
- c) By reason of the emission of gas, fumes, smoke, dust or objectionable odour;
- d) By reason of the unsightly storage of goods, wares, merchandise, salvage, refuse matter, motor vehicles, trailers or parts of vehicles or trailers, machinery, or other such material; and/or
- e) By any combination of events in this subsection.

4.19 CLOSINGS

In the event a dedicated street or lane shown on the Zoning District Map forming part of this Bylaw is closed, the property formerly in such street or lane shall be included within the Zoning District of the adjoining property on either side of such closed street or lane. If a closed street or lane is the boundary between two or more different zoning districts, the new district boundaries shall be the former centre line of the closed street or lane.

4.20 RAILWAY CROSSINGS AND SIGHT DISTANCES

Notwithstanding anything contained in this Bylaw, where any public street crosses a railway at the same grade, no building or structure shall be erected within 46.0 m of the point of intersection of the centre line of both the railway and the street.

4.21 BARELAND CONDOMINIUM DEVELOPMENTS

- 4.21.1** Bareland Condominium Developments shall comply with the minimum site area, coverage, width, height and yard setbacks as stated in the residential zoning districts.
- 4.21.2** One primary dwelling unit and one accessory building are permitted per bareland condominium lot.
- 4.21.3** Bareland condominium developments may include private open space and one accessory building for joint recreation use by residents of the development shall be permitted, subject to all yard setback requirements of the Residential District in which it is located.

4.22 SATELLITE DISHES

- 4.22.1** Satellite dishes in excess of 1.0 metre in diameter shall not be located in any front yard, side yard and shall not be permitted to be erected on the roof of any principal building that is located within a residential district that is less than three (3) stories in height.
- 4.22.2** Satellite dishes located in residential districts, which exceed 1.0 metre in diameter, shall only be erected on the roof of an accessory building if said accessory building is located entirely within a rear yard; and
- 4.22.3** Satellite dishes may be erected in Commercial or Industrial Districts for communication purposes or re-broadcasting of television signals and subsection 4.22.1 shall not apply.

4.23 COMMUNICATION TOWERS

The erection of Cellular telephone transmission towers shall not be permitted within 100.0 m of any residential zoning district.

4.24 PRIVATE GARAGES, SUNROOMS, SOLARIUMS, AND GREENHOUSES

Private garages, carports, sunrooms, solariums and greenhouses attached to main buildings by a substantial roof structure shall be considered as part of the main building and shall be subject to the regulations for the main building.

4.25 WIND POWER TURBINES AND TOWERS

4.25.1 Mechanical wind generation units shall only be considered as a Discretionary Use within a Community Service or Live/Work Residential Acreage District. Wind generation units require a:

- a) Minimum setback of 400 m for potential fall zone below the turbine
- b) Maximum noise standard of 40 decibels.

4.25.2 Wind Turbines and Towers are prohibited in all other Districts within the Town of Pense.

4.26 TRAILERS, BOX CARS, SEA AND RAIL CONTAINERS

4.26.1 No person shall park or store on any part of a site, any unlicensed rail or sea container, truck, bus or coach body for the purpose of advertising or warehousing within any Zoning District.

4.26.2 Mobile Storage containers may be accommodated for storage purposes under the following conditions where they:

- a) must be properly anchored;
- b) shall be located a minimum of 3.0 m from the primary building and behind the rear wall of the primary building;
- c) containers determined by the Municipality to be unsightly, misused, unsafe, or inappropriate in any way, must be removed at the owner's expense within a time period specified by the Municipality;
- d) must meet the National Building Code Standards as applicable; and
- e) must apply for a Development Permit every five (5) years.

4.27 PARKING

4.27.1 All required parking and loading facilities are intended for the purpose of accommodating the vehicles of clients, customers, employees, members, residents or visitors in connection with the principal building or use for which the parking and loading facilities are provided. Parking and loading facilities shall not be used for driveways, access or egress, commercial repair work, display, sale or storage of goods of any kind.

- 4.27.2** Required parking and loading facilities shall provide for and include an adequate, **safe** and convenient arrangement of vehicular points of ingress or egress, driveways, internal roadways, aisles and ramps, unloading and loading of motor vehicles all in relation to buildings and entry points to buildings on the site.
- 4.27.3** The parking facility shall be located on the same site as the use for which it is intended. It shall be developed such that:
- a) it is reasonably accessible to the use and vehicles it is intended to serve;
 - b) it meets the satisfaction of the Municipality regarding design;
 - c) it is appropriately landscaped to the satisfaction of the Municipality;
 - d) all parking facilities shall be maintained to the satisfaction of the Municipality by the owner of the property;
 - e) each parking space within a parking facility shall be a minimum of 2.5 m wide and 6 m long except that parallel parking spaces shall be a minimum of 6.5 m long;
 - f) where two or more uses are permitted on any one site or where two or more uses are to share common parking facilities, the off-street parking requirements for each use shall be calculated as if each is a separate use and the total number of off-street parking spaces so calculated shall be provided; and
 - g) one (1) barrier free parking space shall be provided for any required parking facility accommodating between 4 and 100 parking spaces.
- 4.27.4** Any parking facility shall be developed to the satisfaction of the Municipality within one (1) year of the completion of the development for which the Development Permit was issued.
- 4.27.5** When a building is enlarged or altered in such a manner as to cause an intensification or change of use, provisions shall be made for additional parking spaces as required by the previous subsection.

4.28 SWIMMING POOLS OR ANCILLARY STRUCTURES CONTAINING WATER

- 4.28.1** Notwithstanding anything contained in this Bylaw, a swimming pool or pond is permitted as an accessory use to permitted uses in any Residential District or a motel (motor hotel) in a Commercial District, to be located in the side yard or rear yard of any lot/site if:
- a) No part of such pool is located closer to any lot or street line than the minimum distance required for the principal building located on such lot;
 - b) The maximum height of such pool or pond is 1.2 m (4 ft) above the average finished grade level of the ground adjoining the pool or pond;
 - c) Every swimming pool or pond shall be enclosed by a non-climbable fence of at least 1.8 m (6 ft) in height, not more than 10 cm (4 inches) from the ground, and located at a distance of not less than 1.5 m (5 ft) from the pool; and
 - d) Any deck attached to or abutting a swimming pool or pond shall be considered as part of the swimming pool or pond.
- 4.28.2** Any building or structure, other than a dwelling required for changing clothing or for pumping or filtering facilities, or other similar accessory uses, shall comply with the provisions in the applicable zoning districts in Section 5 of this Bylaw respecting accessory buildings.
- 4.28.3** An ancillary structure used to hold water such as a fountain or pond may be allowed in a front yard in a Residential District if the water is not more than 0.3 m (1 foot) deep and the pond or fountain water

surface area is not more than 0.6 m (2 ft) in diameter or if the water is concealed with landscaping materials.

4.29 DISPOSAL OF WASTES

4.29.1 Subject to all Acts and Regulations pertaining in any way to the storage, handling and disposal of any waste material or used item, and except as permitted by these Acts and Regulations, no liquid, solid, or gaseous wastes shall be allowed to be discharged into any stream, creek, river, lake, pond, slough, intermittent drainage channel or other body of water, onto or beneath the surface of any land or into the air.

4.29.2 No development or use of land which requires solid or liquid waste disposal facilities shall be permitted unless those facilities are approved by Saskatchewan Health and the Saskatchewan Water Security Agency. Disposal of liquid, solid or gaseous waste shall be governed by Acts administered by Saskatchewan Agriculture, Saskatchewan Environment, Saskatchewan Health and the Saskatchewan Water Security Agency.

4.30 SOLID AND LIQUID WASTE DISPOSAL FACILITIES

Municipal and commercial solid or liquid waste disposal facilities are subject to the following conditions:

- a) The facility will be located as near as practical to the source of waste;
- b) The facility will have undergone satisfactory review as required by Provincial Authorities for environmental assessment and operational design;
- c) The facilities will be located at least 300 m for liquid waste and 457.0 m for solid waste from any residence or recreational use;
- d) The development of any new disposal sites shall take into consideration seasonal winds;
- e) Adequate precautions shall be taken to prevent pollution of ground water by disposal operations;
- f) Solid waste disposal facilities shall be located in proximity to an all- weather road; and
- g) Council may apply special standards for screening, fencing and reclamation of the site.

4.31 DEVELOPMENT STANDARDS FOR DISCRETIONARY USES

This Section addresses special provisions and specific development standards that apply to the following developments. These standards apply in addition to any standards of the respective Zoning District.

In approving any discretionary use to minimize land use conflict, Council may prescribe specific development standards related to:

- Site drainage of storm water;
- The location of buildings with respect to buildings on adjacent properties;
- Access to, number and location of parking and loading facilities;
- Appropriate space for vehicle movement in order to reduce disruption of traffic flows on adjacent roadways;
- Control of noise, glare, dust and odour; and
- Landscaping, screening and fencing to buffer adjacent properties.

4.32 HOME OCCUPATIONS

Home Occupations (Home Based Businesses) are subject to the following conditions:

- Home-based occupations and businesses will be accommodated provided that they are clearly secondary to the principal residential use of the dwelling unit, compatible with the surrounding residential area and not of a size that provide services or products that would detrimentally affect the viability of the neighborhood.
- One advertising display sign shall be allowed on the site or premise from which the home occupation is conducted. No LED or neon signs shall be allowed.
- There shall be no exterior display or storage of any merchandise or material relating to the home occupation.
- No equipment or process used in the home occupation shall create dust, noise, vibration, glare, fumes, odour or air pollution that is detectable at or beyond the property lines of the lot where the home occupation or business is located.
- Up to two (2) persons other than a resident of the dwelling unit may be engaged in any home occupation as an employee or a volunteer.
- Parking: The home occupation shall not cause or add to on-street parking congestion or cause an increase in traffic through residential zones.
 - No more than one business vehicle, for which off-street parking is provided, shall be operated in connection with the home occupation.
 - Parking of vehicles of employees hired for off-site jobs shall not be allowed at, or in the vicinity of, the dwelling unit.
- All Business Permits issued for home occupations shall expire on December 31 of the year issued. Home occupations are subject to the condition that the permit may be revoked at any time if, in the opinion of Council, the use is or has become detrimental to the amenities of adjoining properties and the neighborhood.

4.33 SECONDARY SUITES

- Secondary suites may be constructed within a principal, single detached dwelling in a residential zoning district. Only one secondary suite is permitted on each residential site
- Secondary suites must be located within the principal dwelling and must have a separate entrance from the principal dwelling either from a common indoor landing or directly from the exterior of the building. Secondary suites must contain cooking, eating, living, sleeping and sanitary facilities.
- Secondary suites may not exceed 60 m² or 35% of the total floor space of the dwelling unit including the basement, and may not have more than two bedrooms.

4.34 MODULAR HOMES

- All modular homes shall be placed on a permanent engineered foundation at a standard comparable to a single detached dwelling.
- All modular homes shall be multi-modular, with the width approximately equivalent to the length and shall have architectural features similar or complementary to adjacent and nearby dwellings;
- Modular homes shall be permanently connected to water and sewer services provided by the Municipality and permanently connected as available to other public utilities.
- All other requirements of this Bylaw apply.

4.35 BED AND BREAKFAST HOMES

- Bed and breakfast homes shall be located in a single detached dwelling used as the operator's principal residence. No exterior alterations shall be undertaken which would be inconsistent with the residential character of the building or property.
- Required parking spaces may be permitted in a required front yard.
- One advertising display sign located on the site or premise advertising the bed and breakfast home is permitted. The facial area of a sign shall not exceed 0.5 m².
- No more than three (3) guest rooms shall be allowed in a bed and breakfast home.
- The only meal to be provided to registered guests shall be breakfast. No food preparation or cooking for guests shall be conducted within any bedroom made available for rent. All facilities shall meet public health regulations and be kept in a manner satisfactory to the District Health Region.

4.36 DAY CARE CENTRES AND PRE-SCHOOLS

- Day care centres and pre-schools may be approved as an accessory use or as a principal use.
- In any residential zoning district, no exterior alterations shall be undertaken to a dwelling or former dwelling which would be inconsistent with the residential character of the building or property.
- Day care centres or pre-schools which are located in residential districts shall provide at least 3.25 m² of fenced on-site outdoor play space for each child present in the facility at any one time.
- Required parking spaces may be located in a required front yard.

4.37 PERSONAL CARE HOMES

Personal Care Homes are subject to the following conditions:

- Personal care homes may be approved as an accessory use or as a principal use.
- In any residential zoning district, no exterior alterations shall be undertaken to a dwelling or former dwelling which would be inconsistent with the residential character of the building or property.
- Required parking spaces may be located in a required front yard.
- No building or structure used for the purpose of a personal care home shall be used for the purpose of keeping boarders or lodgers.
- The use shall not generate substantially more traffic and parking than is normal for the district in which the use is located.
- A home must be licensed as a personal care home in accordance with *The Personal Care Homes Act* if it provides accommodation, meals and assistance or supervision with activities of daily living to an adult aged 18 and older who is not a relative.

4.38 SALVAGE YARDS (AUTO WRECKERS)

The following additional considerations shall be made for all applications for a Salvage Yard/Auto wrecker or similar operation:

- This includes salvage yards, auto wreckers, auto repair shop, body shops and similar uses, all salvage vehicles and materials, vehicles waiting repair, salvage or removal and similar uses.
- No vehicles or parts thereof shall be located in the front yard.
- All salvage yards shall be totally hidden from the view of the travelling public, provincial highways, any public road by utilizing distance and careful location, natural or planted vegetation, an earth berm, opaque fence or other appropriate methods approved by Council.
- All salvage or auto wrecking yards shall be totally enclosed by a sturdy fence built to a minimum height of 2.0 m and constructed of material suitable to conceal from view the materials stored on site. No materials shall be stacked above the height of the fence.
- A Performance Bond may be required by Council to ensure the development meets the required development standards.

4.39 CAMPGROUNDS

Campgrounds are subject to the following conditions:

- The operator of a campground shall provide the Development Officer with a plan of the campground, identifying any buildings, uses of land and the location of all roadways and trailer coach or tent campsites with dimensions. The addition or re-arrangement of campsites, the construction or moving of buildings, material change in use of portions of land or the filling or clearing of land shall require a Development Permit, and the operator shall submit for approval an amended plan incorporating the development.
- A campground shall have within its boundaries, a buffer area abutting the boundary of not less than 4.5 m which shall contain no buildings.
- The operator of a campground shall designate a campsite for each trailer coach or tent party, which shall be less than 150 m² in area with its corners clearly marked.

- One permanent sign located on site advertising the campground is permitted per site;
- the facial area of a sign shall not exceed 0.5 m² ;
- no sign shall be located in any manner that may obstruct or jeopardize the safety of the public;
- temporary signs not exceeding 1.0 m² advertising the sale or lease of the property or other information relating to a temporary condition affecting the property.
- No portion of any campsite shall be located within a roadway or required buffer area.
- Each campsite shall have direct and convenient access to a developed roadway which is not located in any required buffer area. The space provided for roadways within a campground shall be at least 7.5 m in width.
- Each trailer coach shall be located at least 3.0 m from any other trailer coach, and each campsite shall have dimensions sufficient to allow such location of trailer coaches.
- A campground may include, as ancillary uses, a laundromat or a confectionery designed to meet the needs of the occupants of the campsites, and one single detached dwelling for the accommodation of the operator.
- *The Public Health Act* shall be complied with in respect to all operations and development of the campground.

5 ZONING DISTRICTS AND ZONING MAPS

5.1 ZONING DISTRICTS

For the purpose of this Bylaw, the Town of Pense is divided into several Zoning Districts that may be referred to by the appropriate symbols.

FUD	Future Urban Development	RA	Residential Acreage
R1	Residential	C1	Commercial
R1A	Low Density Residential	I1	Industrial
R2	Multiple Dwelling Residential	CS	Community Service

5.2 THE ZONING DISTRICT MAP

The map, bearing the statement "This is the Zoning District Map referred to in Bylaw No. 2/2013 adopted by the Town of Pense", signed by the Mayor and by the Town Administrator under the seal of the Town, shall be known as the "Zoning Districts" map, and such map is hereby declared to be an integral part of this Bylaw.

5.3 BOUNDARIES OF ZONING DISTRICTS

- 5.3.1 The boundaries of the Districts referred to in this Bylaw, together with an explanatory legend, notations and reference to this Bylaw, are shown on the map entitled, "Zoning District Map."
- 5.3.2 Unless otherwise shown, the boundaries of the Zoning Districts are site lines, centre lines of streets, lanes, road allowances, or such lines extended and the boundaries of the Municipality.
- 5.3.3 Where a boundary of a District crosses a parcel, the boundaries of the Districts shall be determined by the use of the scale shown on the map.
- 5.3.4 Where the boundary of a zoning district is also a parcel boundary and the parcel boundary moves by the process of subdivision, the District boundary shall move with that parcel boundary, unless the boundary is otherwise located by amendment to the Bylaw.

5.4 HOLDING DESIGNATION

- 5.4.1 Where on the Zoning District Map the symbol for a zoning district has suffixed to it the holding symbol "H", any lands so designated on the map shall be subject to a holding provision in accordance with Section 71 of *The Planning and Development Act, 2007*.
- 5.4.2 Any lands subject to a holding provision shall only be used for those uses existing on the land when the "H" is applied and for Public works.

- a) All uses of land, buildings or processes that may be noxious or injurious, or constitute a nuisance beyond the building which contains it by reason of the production or emission of dust, smoke, refuse, matter, odour, gas, fumes, noise, vibration or other similar substances or conditions;
- b) Dwelling units;
- c) All uses of buildings and land except those specifically noted as permitted or discretionary.

5.11.4 SITE DEVELOPMENT REGULATIONS

Minimum site area	900 m ² (9687 ft ²) There shall be no minimum site development requirements for public works buildings.
Minimum site frontage	30 m (100 ft)
Maximum site coverage	75%
Minimum front yard	7.5 m (25 ft) unless abutting the highway or service road than 9.0 m (30 ft)
Minimum rear yard	3.0 m (10 ft) or 10% of the depth of the lot whichever is greater unless the rear lot line abuts a railway in which case no rear yard is required
Minimum side yard	3.0 m (10 ft) except when the side site line is the boundary of any Residential, Community Service District or abuts a public street then the minimum side yard shall be 6.0 m (20 ft)
Accessory Buildings	Setbacks for accessory buildings shall meet the same requirements as the principal use or building.

There shall be no minimum site development requirements for public works buildings.

- a) The Development Officer may require a greater setback for a permitted or discretionary use if it is deemed that the use may substantially interfere with the safety and amenity of adjacent sites. The Development Officer may allow a building to be occupied by a combination of one or more of the permitted or discretionary uses listed within this Zoning District; however each use shall obtain a separate Development Permit.

5.11.5 OUTSIDE STORAGE

- a) Open air operations, storage and display of goods or material are prohibited in any front yard. Outdoor storage is permitted in side and rear yards.

- b) Commercial vehicles and equipment associated with a permitted use may be stored on-site provided the area used for storage of these vehicles does not exceed the area of the building used by the business to carry out its operations. No vehicles, materials or equipment shall be in a state of disrepair.
- c) All outside storage shall be fenced when the area abuts a Residential or Community Service District without an intervening street or land, the storage area shall be screened with a solid fence or hedge at least 2.0 m in height.
- d) The Town may apply special standards as a condition or for a discretionary use approval regarding the location of areas used for storage for that use.
- e) No wrecked, partially dismantled or inoperable vehicle or machinery shall be stored or displayed in any required yard. No yard shall be used for the storage or collection of hazardous material.
- f) The Town may require special standards for the location setback or screening of any area devoted to the outdoor storage of vehicles in operating equipment and machinery normally used for the maintenance of the property, vehicles or vehicular parts.
- g) All Mobile Storage Containers including Rail and Sea Containers (SeaCans) shall require a Development Permit and are subject to the following regulations:
 - i. Mobile Storage Containers must be properly anchored and shall be located a minimum of 3.0 m from the primary building and behind the rear wall of the primary building; and
 - ii. When the container is determined by the Town to be unsightly, misused, unsafe, or inappropriate in any way, it must be removed at the owner's expense within a time period specified by the Town.

5.11.6 SIGNAGE

Signs and billboards are prohibited in the I1 Industrial District except for signs advertising the principal use of the premises or the names of the occupants of the premises. Permitted signs shall be subject to the following regulations:

- a) No sign shall be located in any manner that may obstruct or jeopardize the safety of the public;
- b) Temporary signs not exceeding 1 m² advertising the sale or lease of the property or other information relating to a temporary condition affecting the property are permitted;
- c) Temporary signs advertising product prices or sales, special events related to retail and service activities, or advertising community or charity activities or events are permitted.

Maximum number of signs	Up to two (2) signs, which may be fascia, canopy, roof, projecting or any combination thereof, may be located on any site
Maximum size	The facial area of a sign shall not exceed 20.0 m.
Location	All signs, except for canopy and projecting signs, shall be located within the lot lines of the lot in which they are located.
Billboards or Freestanding Signs	One (1) billboard sign may be erected on any lot, in addition to other permitted signs. A site may have either a freestanding or billboard sign, but not both.
Special Provisions	Bulk petroleum sales and storage, motor vehicle sales, and service stations may erect one freestanding sign in addition to other permitted signs.

5.11.7 PARKING

Off-street parking requirements shall be provided in accordance with the following:

Warehouses or manufacturing activities	1 parking space for each 90 m ² (968 ft ²) of gross floor area
Principal buildings	1 parking space for each 50 m ² (538 ft ²) of gross floor area, or 1 parking space for each 1.5 employees, whichever is greater.

5.11.8 LOADING REQUIREMENTS

Where the use of a building or site involves the receipt, distribution or dispatch by vehicles of materials, goods or merchandise, adequate space for such vehicles to stand for loading and unloading shall be provided on the site. The minimum area of an individual loading space shall be 17.0 m². Doors located in side yards shall not be used for delivery purposes.

Gross Floor Area	Minimum Number of Loading Spaces
90 m² to 1300 m²	1 space
1301 m² to 2500 m²	2 spaces
>2500 m²	2 spaces + 1 space for each additional 2500 m ²

5.11.9 LANDSCAPING

- A landscaped strip of not less than 3 m in width throughout lying parallel and abutting the front site line shall be provided on every site.
- On corner lots, in addition to the landscaping required in the front yard, the whole of any required side yard abutting the flanking street shall be landscaped.
- Where a site abuts any Residential District without an intervening land, there shall be a strip of land adjacent to the abutting site line of not less than 1.5 m (5 ft) through which shall not be used for any purpose except landscaping.

5.11.10 PERFORMANCE STANDARDS

An industrial operation including production, processing, cleaning, testing, repairing, storage or distribution of any material shall conform to the following standards:

- Emit no noise of industrial production audible beyond the boundary of the lot on which the operation takes place;
- Smoke - no process involving the use of solid fuel is permitted;
- Dust or ash - no process involving the emission of dust, fly ash or other particulate matter is permitted;
- Odour - the emission of any odourous gas or other odourous matter is prohibited;
- Toxic gases - the emission of any toxic gases or other toxic substances is prohibited;
- Glare or heat - no industrial operation shall be carried out that would produce glare or heat discernible beyond the property line of the lot;

- g) External storage - external storage of goods or material is permitted if kept in a neat and orderly manner or suitably enclosed by a fence or wall to the satisfaction of the authority having jurisdiction. No storage shall be permitted in the front yard;
- h) Industrial wastes - waste which does not conform to the standards established from time to time by Town Bylaws shall not be discharged into any Town sewers.
- i) The onus of proving to the authority having jurisdiction and Council's satisfaction that a proposed development does and will comply with these requirements rests with the developer.
